

CONNECTING BLOOM'S TAXONOMY TO THE CURRICULUM DIAMOND

Adapted from TCIF: BUT WHAT WILL WE DO ON MONDAY by Susan Fister and Karen Kemp

Complex.....Simple

Evaluation	Synthesis	Analysis	Application	Comprehension	Knowledge
appraise	integrate	analyze	apply	associate	count
access	organize	arrange	calculate	classify	define
critique	plan	combine	classify	compare	draw
determine	prepare	construct	complete	compute	identify
evaluate	prescribe	create	demonstrate	contrast	indicate
grade	produce	design	employ	describe	list
judge	purpose	detect	examine	differentiate	match
measure	specify	develop	illustrate	discuss	name
rank		explain	practice	distinguish	point
rate		formulate	relate	estimate	quote
recommend		generalize	solve	extrapolate	read
select		group	use	interpret	recall
test		infer	utilize	interpolate	recite
		order		predict	recognize
		separate		translate	record
		summarize			repeat
		transform			say
					state
